Jimmy delighted in this intimate peek at his buddy Justin's new role as dad.

TWITTER/@FALLONTONIGHT

# JUSTIN: ONE PROUD PAPA

THE NEW DAD SHARED SWEET FAMILY PICS AND GUSHED ABOUT PARENTHOOD ON *THE TONIGHT SHOW*

Is there anything cuter than a dad who's besotted with his kid? And when that dad is **Justin Timberlake**, the aww factor is off the charts. On *The Tonight Show* on Sept. 9, the normally private singer showed off some adorable new pictures of himself and wife **Jessica Biel** with their 5-month-old son, **Silas**, and gushed about how much they're enjoying first-time parenthood. "It's the most insanely amazing, most beautiful,

unbelievable thing that can ever happen to you," he told his pal **Jimmy Fallon**, who's said similar things about his two daughters.

Justin and Jessica haven't shared many photos of Silas before, so these were a rare treat — as was Justin's proud claim that Silas has called him "Dada" already. (Of course, that may simply have been a plug for Jimmy's children's book, *Your Baby's First Word Will Be Dada*.) One pic highlights Silas' big blue peepers and inquisitive gaze, and another shows

him snuggling with mom in an elephant towel. Justin was also seen holding Silas on his lap, the tot supposedly engrossed by the PGA Championship on TV. "We're working on his swing already," Justin joked, "but he can putt — it's great!" While Justin and Jimmy opened the show with another installment of their History of Rap, it was JT's baby love that really wowed the crowd. **OK!**

**THE PARENT TRIP**  
Jessica has said it's "magical" when Silas wakes up from a nap — "gummy mouth, no teeth, just a big smile."

No matter how many  
toys you brought,  
he still chose that.

LOST HER BABY DADDY AND

## THE QUICKEST SLIM-DOWN SECRET

Indulge in too many barbecues and ice cream cones this summer? Fall is the perfect time to shape up — and SlimFast can help! Packed with protein, fiber, vitamins and minerals, these tasty shakes and smoothie drinks can help curb your appetite for up to four hours and are clinically

proven to help you lose 50 percent more weight than a reduced-calorie diet alone. Use them as meal replacements, a bite on the go or a postworkout pick-me-up, and you'll see results in just one week! Available at Walmart and other retailers. For details, visit [SlimFast.com](http://SlimFast.com).

**E**at your heart out, **Scott Disick**! **Kourtney Kardashian** has emerged from your painful breakup even hotter and healthier than before — flaunting a bikini bod in recent weeks that would make any bachelor stop in his tracks. “When they were together, Kourtney devoted so much time to trying to fix Scott’s problems,” says a source. “Once they split, she promised herself she’d do what’s best for her.”

Clearly, she’s kept her word! The 36-year-old mother of three, who gave birth to son **Reign** in December, recruited trainer **Don Brooks** to retool her workouts after seeing how he whipped singer **Fergie** into awesome postbaby shape. He’s been putting her through an hour of high-intensity training three to five days a week. And on the food front, she relied on homemade smoothies featuring lots of greens for a 10-day detox to jump-start her weight loss. The source says Kourtney’s loving the results — and the attention — she’s getting: “Scott used to point out her stretch marks and poke fun at her for having a frumpy mommy bod. Now she’s finally feeling sexy again.”

“We will be side by side, learning about his country,” Angie has said.

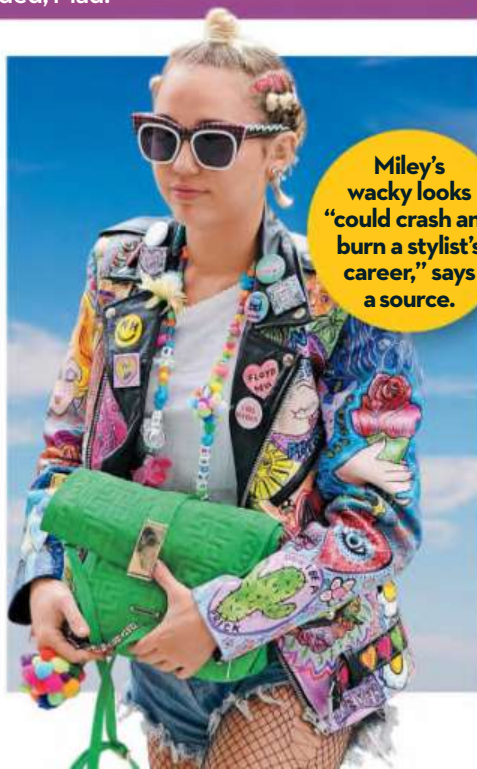

## ANGIE CASTS MADDOX

Movies are truly a family affair for the Jolie-Pitts. Angelina and Brad’s daughter **Vivienne** played the young **Aurora** in 2014’s *Maleficent*, and now sources say their eldest son, 14-year-old **Maddox**, will have a role in *First They Killed My Father*, a film about the brutal Khmer Rouge regime in 1970s Cambodia that Angie is directing for Netflix. Cambodian-born Maddox, who had a nonspeaking part as a zombie in *World War Z*, “has been desperate to get into acting,” says an insider. “This is a dream come true for him. He’s read the book the film’s based on and speaks the language — it’s a perfect fit.” Just don’t mess up your lines, or you’ll be grounded, Mad!

## MILEY’S STYLISTS: WE QUIT!

While **Miley Cyrus**’ outrageous, often barely there getups are great for headlines, they aren’t giving her styling team much to do. “They want to work with her, but the awful outfits she picks lately are all her own, so they don’t know why they bother,” says a source. “Word is, they’re at their wit’s end.” The provocative star “had better start searching now for someone to style her during awards season,” adds the insider. “There aren’t many who are proud these days to come out and say, ‘I styled Miley Cyrus.’”

Miley’s wacky looks “could crash and burn a stylist’s career,” says a source.

# CHRIS LOVING THE LADIES

**B**ye-bye, **JLaw**; hello... whoever! After yet another split from on-off girlfriend Jennifer Lawrence, **Chris Martin** has been looking for love wherever he can get it. "He's gone girl-crazy," says an insider.

"He's distracting himself by hitting the club scene, which is so unlike him. He's basically brought home 10 women in 10 weeks!"

Though the Coldplay frontman is acting like "a kid in a candy store," the source adds, "he prefers being in a relationship.

He likes someone to be his anchor." Of course, if you ask Jen, Chris' focus on family — daughter **Apple**, son **Moses** and ever-present ex **Gwyneth Paltrow** — is the real anchor in his relationships. "She got sick of being number two," the insider says. Well, looks like it's some other lucky lady's turn!

Chris definitely has a type — blondes like JLaw, Kylie Minogue (left) and a mystery woman (above) he met up with in NYC.

## KRISTEN: SAVED BY SCANDAL

*The Real Housewives of New York City*'s **Kristen Taekman** is reeling from the revelation that her husband, **Josh**, was a client of the infidelity website Ashley Madison, but there's a silver lining to this cloud: She's become a lot more interesting to her show. "Kristen was about to be axed because she was boring," says an insider. "And **Bethenny Frankel** didn't like her — which is the kiss of death. Now, producers are desperate to get all the drama between Kristen and Josh on camera." Stay tuned for the fireworks!

## SELENA V. LORDE SHOWDOWN!

Is there bad blood brewing in Taylor Swift's squad? When Tay greeted Lorde warmly at a VMAs afterparty, **Selena Gomez** gave the Kiwi songstress "the scariest death stare," says an eyewitness, who chalks it up to jealousy: "Lorde built her own musical success, while Selena can't write or produce on her own." Meanwhile, "Lorde has no interest in feuding," the insider adds. "She doesn't see Selena as a threat, because she doesn't think of her as a real musician."

**M**iranda Lambert and Blake Shelton are bucking the celebrity divorce trend of conscious uncoupling. After Blake, 39, abruptly filed for divorce in July following four years of marriage, the typical promise to remain the closest of friends was glaringly absent from the couple's joint statement. Still, four days later the country stars playfully tweeted at each other in support of mutual pal **Ashley Monroe**'s new album (above), doing their best to keep up the appearance of an amicable split.

But after that, the chummy messages came to a screeching halt.

“Blake doesn’t want anything to do with Miranda,” a source says. “He’s telling his close friends the marriage was a mistake, and, at this point, he wants to forget it ever happened.”

Why the change of heart? Postsplit reports of Miranda's rampant infidelity — including rumored flings with fellow country singers **Chris Young** and **Jamey Johnson** and married baseball player **Josh Beckett** — left Blake “heartbroken” the source says.

“Even though there were rumors that he was unfaithful too, Blake adored Miranda and wanted to have a family with her,” the insider explains. “Now, after all the stories he’s heard, he feels like he didn’t even really know her.”

The source says that Miranda, 31, suggested they meet to talk things out — but Blake flat-out refused. Her sassy response? Dressing sexier and going out more with their mutual friends in an effort “to make Blake jealous.” Sounds like they’ve already become the best of enemies!

# Chris & Minka BACK ON!

Third time's the charm? On-off couple **Minka Kelly** and **Chris Evans** were spotted walking their dogs together Sept. 5 in L.A., fueling rumors that they're back together. Minka, 35, and Chris, 34, were first linked in 2007 and split later that year; they rekindled their relationship in September 2012 but broke up again in October 2013. Despite reports that Chris had moved on with **Lily Collins**, 26, earlier this year and Minka's cozy birthday dinner with **Sean Penn**, 55, in June, an insider says they just can't stay away from each other. "No matter how many times they fight and break up, they've always been in love and always will be," the insider says. "Hopefully, this time they have learned some lessons from the past and will make it last." If not, there's always next year!

Benedict has five movies lined up in next few months.

## Benedict & Sophie HONEYMOON'S OVER

They tied the knot just seven months ago, but **Benedict Cumberbatch** and **Sophie Hunter** are already feeling the pressures of marriage. According to a source, since the birth of their son Christopher in June, Benedict, 39, "has put his career first," frequently traveling for work and leaving most of the child care to Sophie, 37. The newlyweds even sleep in separate beds, the source claims, because workaholic Benedict says "he can't perform well when tired." Sophie is worried success has gone to his head. Adds the source: "She's just hoping it doesn't tear them apart."

## Mila & Ashton's POWER STRUGGLE

**Mila Kunis** met **Ashton Kutcher** on TV, but apparently she's not interested in working with him again. When Mila, 32 — who launched Orchard Farm Productions last year — took a recent meeting with ABC to pitch a sitcom, a source says she banned her 37-year-old hubby's name from the discussion! "It's a comedy about a stay-at-home dad, which would be perfect for him — but she wants to be independent," the source says. Look at the bright side, Ashton: Would you want Mila to be your boss at home *and* on set?

A source says Mila "doesn't want to piggyback off Ashton's success."

# HAVING SPENT MORE THAN A YEAR TRYING TO CONCEIVE, **JENNIFER ANISTON** AND **JUSTIN THEROUX** ARE THRILLED TO FINALLY BE EXPECTING

## PLANNING THE NURSERY!

Jennifer and Justin's massive \$22 million Bel Air mansion is plenty big enough for the babies — each one could have her own wing! — but they plan to bunk them together, at least at first. “Jen’s already talking to interior designers,” the source says, and is considering “a safari theme.”

WITH S  
n the night of her long-awaited wedding to **Justin Theroux** Aug. 5, **Jennifer Aniston** was as prone to butterflies as any blushing bride. But in her case, says a source close to the star, the tummy flutters weren’t *only* due to the usual nerves about (finally) tying the knot. Instead, the actress — in the process of pulling off a covert ceremony and reception at her Bel Air, Calif., home — was anxious about the even bigger secret she was concealing: She’d just learned that she is pregnant with twins.

## THEY’D TRIED FOR AGES

Jen’s rep denies the pregnancy, but according to the source, it was the culmination of a long and often difficult process that Jen, 46, and Justin, 44, had been engaged in for well over a year. Multiple cycles of in vitro fertilization — more commonly known as IVF — had come to nothing, and the couple, who’ve been together since 2011 and engaged since 2012, had nearly given up hope. “It’s heartbreaking to go through all that and still not get a baby at the end of it,” the source explains. “Jen was so concerned that it would never happen that she had kind of convinced herself that she’d be happy even if motherhood wasn’t in her future.”

And no doubt she would: After all, she’s a gorgeous, rich, successful star with a fulfilling career and a loving husband. But Jen has never been shy about the fact that she wanted more. As far back as 2002, when she was still married to **Brad Pitt**, she said she “always thought

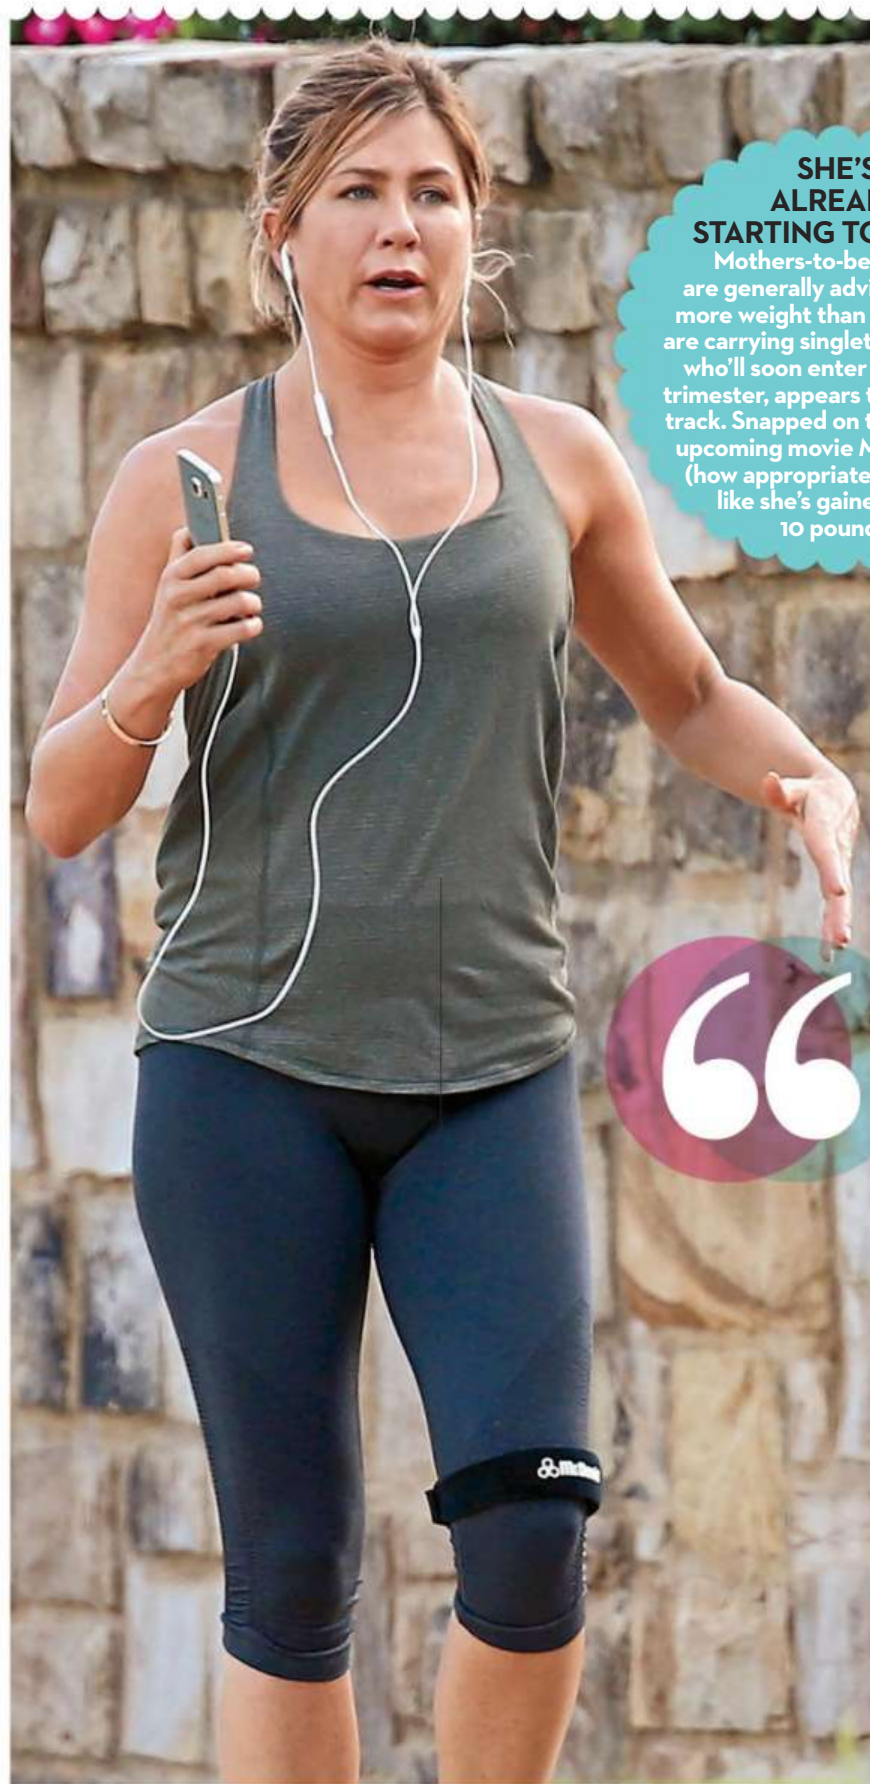

## SHE WON’T REPEAT HISTORY

Jen’s relationship with her own mother, **Nancy Dow**, has long been troubled (things reached a nadir when Nancy published a tell-all in 1999 capitalizing on Jen’s fame), and despite

reports that the two reconciled, Nancy was not invited to Jen’s wedding. “She was very critical of me,” Jen has said, “very unforgiving.” But the star is determined to do a better job with her own kids: Although the source says she’s “not dwelling” on the past, her mother is very much on her mind — and she swears she won’t repeat her mother’s mistakes.

**SHE'S  
ALREADY  
STARTING TO SHOW**

Mothers-to-be of twins are generally advised to gain more weight than women who are carrying singletons, and Jen, who'll soon enter her second trimester, appears to be right on track. Snapped on the set of the upcoming movie *Mother's Day* (how appropriate), she looks like she's gained about 10 pounds.

[we'd have] two or three children." (Tellingly, she continued, "but Brad wants seven!") And in 2008, when she was single again, she announced, "I've said it so many times: I'm going to have children! I just know it." But her most recent statement on the subject seemed to betray her mounting impatience. When asked (again!) about her baby plans in January, she said, "That's a topic that's so exhausted. I get nervous around that, just because it's very personal. Who knows if it's going to happen? It's been a want. We're doing our best."

**SUCCESS, AT LAST!**

But ever since Jen got her BFP (that's Internet-speak for a "big, fat positive" pregnancy test), she's been overjoyed. Because she was undergoing IVF, the source explains, she had the pregnancy confirmed by a doctor only days after the embryos had implanted. And she turned telling Justin into a big event.

JUSTIN WAS EMOTIONAL WHEN JEN GAVE HIM THE GOOD NEWS.... HE WAS SO HAPPY, HE CRIED!"

JEN IS ESPECIALLY EXCITED THAT SHE'S GOING TO HAVE TWO DAUGHTERS. IT'S TRULY A DREAM COME TRUE!"

—A SOURCE

"She cooked him a romantic dinner, and afterward she told him that she had a special surprise. Then she showed him the test results. He was very emotional — he actually cried a little! Jen was so touched."

### DOUBLE TROUBLE

Of course, an even bigger surprise was right around the corner: At her first sonogram, Jen found out that she was carrying twins! "Justin was in Texas, filming," the source says, "so she sent him a text with a picture of the ultrasound and joked that they were going to have double trouble."

Because of Jen's "advanced" age and how much trouble she's had getting pregnant, both she and Justin had resigned themselves to having only one child, at best. So they're especially thrilled to be having two. And when Jen found out that both babies are girls, the source says, "she was even more excited." In fact, she's already picking out names: She reportedly loves the old-fashioned names Lila and Ava (after one of her

icons, the glamorous Old Hollywood star **Ava Gardner**).

### SHE'LL BE A GREAT MOM

That's not to say Jen isn't thinking seriously about how babies will change her life: "She wants to be a hands-on mom," the source says, "and she's determined not to let her job get in the way. She and Justin have plenty of money, and they can see that time with their babies will be precious."

For now, though, they're celebrating and telling friends. Their inner circle — which includes **Courtney Cox**, **Chelsea Handler** and **Jason Bateman** — were let in on the secret almost immediately, as they were sure to notice that Jen wasn't drinking on the group trip to Bora-Bora that doubled as her and Justin's honeymoon. (She filled her champagne flute with sparkling elderflower water at the wedding, the source says, but knew she couldn't keep up the ruse forever.) "Their friends are their family," the source explains. "They're so excited to share this happy news with them." **OK!**

## MEET THE GODPARENTS

### COURTNEY COX

Courtney is, of course, one of Jen's oldest *Friends*, beside her pal every step of the way; she also has plenty of parenting experience, thanks to daughter **Coco**. "She'll be her right-hand woman," the source says.

### SCOTT CAMPBELL

Scott, a well-known tattoo artist, is Justin's best friend and a (relatively) new dad himself: His wife, actress **Lake Bell**, gave birth to their daughter, **Nova**, last fall. So he's sure to have loads of helpful tips for his bud!

Chris' newfound fame "bothers Anna far more than she can admit to him," a source says.

Anna and Chris (with son Jack in May) are struggling with issues that tear many Hollywood couples apart.

# ANNA STRESSED OUT AND WASTING AWAY

# DEVASTATED BY RUMBLINGS OF TROUBLE IN HER MARRIAGE TO **CHRIS PRATT**, **ANNA FARIS** HAS BECOME SCARY SKINNY

**A**nna Faris should be on top of the world: She's got a hit TV show, she's married to one of Hollywood's most bankable leading men and she's the mom of an adorable 3-year-old son. But the actress, 38, has become so unnerved by husband **Chris Pratt's** sudden heartthrob status and the growing rumors that their marriage is on the rocks that it's affecting both her health and her happiness. Though their reps deny the couple are experiencing any trouble, "Anna looks tired and emaciated, and she's lost her spark," says a source. "She's making excuses for not eating. It's got people worrying."

## REVERSAL OF FORTUNE

For years, Anna and Chris were the poster couple for a successful, down-to-earth Tinseltown marriage. He was the funny, chubby TV actor, and she was the hot blonde star of the *Scary Movie* franchise. Then Chris, 36, lost 60 pounds in six months for his first big-screen starring role, in 2014's *Guardians of the Galaxy*, and the dynamic of their relationship changed.

No longer was Anna cooking the "big, fattening meals" (as she put it) she loved to make for Chris, who would "eat all of mine and the rest of hers" (as he put it). No longer, Chris revealed, was he feeling "impotent, fatigued, emotionally depressed." And while all of this may sound like a good thing, it's given Chris a new female fan base, and "Anna doesn't like the way girls hang on him," says an insider. "She liked him bigger, when women didn't lust after him. Her confidence is crumbling as Chris' skyrockets."

And when *Guardians* and Chris' next film, *Jurassic World*, raked in billions, Anna, who's currently on the CBS sitcom *Mom*, saw disturbing echoes of the stresses that soured her

first marriage, to actor **Ben Indra**. "Ben couldn't handle Anna's success," the source says of that couple, who split in 2007. "Now Anna's scared that Chris' instant fame is going to ruin them. He's taking off in a big way, and she doesn't want to get left behind. She's feeling incredibly insecure."

## CONTROL ISSUES

Distance only makes the worries worse. Chris is often away filming — he's been shooting *The Magnificent Seven* in Louisiana — and "Anna isn't used to spending this much time apart from him," says a source. "Chris doesn't have a lot of time to call her, and she's an emotional wreck, constantly wondering what he's up to."

So Anna, who once took the lead in many aspects of her relationship with Chris — even ordering for him in restaurants — is exerting control where she can: by obsessing about her

weight. This spring she revealed a pin-thin bikini body while on vacation in Hawaii, and observers noted she looked frail while promoting the new season of *Mom*. "There's definitely concern that she has issues with eating," says an insider. "People are begging her to take care of herself, but she just laughs it off." As for Chris, "he knows that she

is shrinking," the source adds, "and friends are telling him he needs to be more present. As it is, he goes out of his way to reassure her that there's nothing to worry about in their relationship. But she's still miserable, and he's getting tired of having to make her feel better every time they are together."

All this stress has not gone unnoticed, with Anna calling rumors of marital discord "devastating" and "weirdly stinging."

In the past, "she would have ignored the chatter," says the insider. "But now she's panicking that the whole world thinks her marriage is failing. She's spending more time working on what to tell people than she is actually fixing any issues in the relationship. It's sad, but Anna feels out of control in every aspect of her life right now."

**OK!**

### UNEQUAL FOOTING

Anna's said her greater fame "destroyed" her marriage to actor Ben Indra. Now sources say she's worried history may repeat itself with Chris.

## CHRIS' MEGASTAR MAKEOVER

His pudgy lunkhead on *Parks and Recreation* was a series mainstay from 2009 to 2015.

**JOCK THERAPY**  
He lost weight and gained acclaim for 2011's *Moneyball*, then yo-yo'd for years to play a variety of roles.

**SPACE COWBOY**  
He was top-billed in *Guardians of the Galaxy*, which made him a Marvel superhero in 2014.

**DINO MIGHT**  
His turn as a ripped raptor wrangler helped *Jurassic World* become the highest-grossing film of 2015.

AT JUST 18 YEARS OLD,  
**KYLIE JENNER** PLANS TO  
FOLLOW IN BIG SISTER  
**KIM KARDASHIAN'S**  
FOOTSTEPS WITH A  
RAUNCHY VIDEO  
RELEASE

**KYLIE**

# SEX TAPE FOR SALE!

**READY FOR HER CLOSE-UP**

Kylie's a modern master of selfie art direction, thanks to her simple formula: Boobs, butt, lips, repeat.

**K**ylie Jenner — purveyor of hair extensions, lip gloss and an endless stream of selfies documenting her assets — has set her sights on a new cash cow: a sex tape!

Sources say Kylie, who recently turned 18 and plays a vamping seductress daily on her Instagram feed, is determined to follow in sister **Kim Kardashian's** footsteps — specifically, her career-launching X-rated home video. All Kylie needs is her own tattooed boyfriend (check!) and an exhibitionist streak (check!).

A source claims that ever since **Steve Hirsch**, head of Vivid Entertainment — which distributed Kim's tape with R&B artist **Ray J** in 2006 — publicly offered Kylie \$10 million for her own video, the teen and her rapper boyfriend **Tyga**, 25, have been gearing up for their on-camera debut.

"They're no strangers to having cameras in the bedroom," reveals the source. "They love filming themselves, especially because Kylie's vanity is completely out of control." In fact, says the source, "At this point, they have more than one sex tape to choose from, if Kylie decides to take Vivid up on the offer."

## THE MOTHER LODE

If the youngest Kardashis-Jenner does go through with her racy film debut, it will be partly thanks to an unlikely advisor: her mom! **Kris Jenner** is reportedly in favor of the video's release and has been offering Kylie tips on how to broker the best deal.

"Kylie's been weighing all her options and taking advice from her mom," says an insider. In fact, Kris is reportedly the most supportive of anyone in the family; **Khloé** and **Kourtney**, says a source, "are horrified by the idea."

But if Kylie wants to emulate any of her sisters' careers, it's Kim's. In a recent interview for *Galore* magazine — for which boundary-pushing photographer **Terry Richardson** shot Kylie in a series of barely clad, highly provocative pics — Kylie gave props to Kim's tunnel-visioned business sense.

"Kim has definitely inspired the

## TYGA'S MONEY WOES

While a sex tape would be mostly a vanity project for Kylie, it's all about the Benjamins for Tyga, who's had some shallow pockets recently. The rapper is being sued for \$4 million by his ex-managers and for \$100,000 by a Las Vegas club promoter who says he blew off contracted appearances. He's also facing legal action from an L.A. landlord over \$50,000 in rent. Add in the \$320,000 Ferrari he bought Kylie for her birthday, and a sex tape must sound highly bankable right now!

business side of me the most," Kylie said. "If she wants to do something, she goes out and does it. She's really smart in that way."

Meanwhile, as Kylie mulls over the multiple video offers that have come in, she'll continue to hype its biggest star — her body, of course — to her 35 million Instagram followers. "The more raunchy photos she posts, the more people become obsessed with her," says an insider. "She's flattered that people want to see her naked, and she thinks a sex tape would help her come into her own."

OK!

## THE TAPE THAT MADE THEM FAMOUS

**T**he one-two punch of Kim Kardashian's sex tape and the premiere of *Keeping Up with the Kardashians* was hardly a coincidence.

Kris reportedly used Kim's sudden notoriety to shop the show to E!, and further reports claim that she even negotiated the tape's release; since 2006, it's raked in more than \$50 million. "Kris brokered that deal with Vivid, and it put the entire family on the map," says an insider. "She's convinced she could do the same for Kylie." The source adds that with *KUWTK* ratings on the decline, "Kylie's tape could be just what they need to reboot the family fortunes and send ratings through the roof."

OK! ROMANCE

**BUMP ALERT?**

Fittingly, Irina chose Labor Day (weekend) to debut her new shape. "She wasn't trying to hide it," a source says. "It was really obvious!"

*Bradley*

# STARTING A FAMILY!

AFTER A GLOBE-SPANNING WHIRLWIND ROMANCE, **BRADLEY COOPER** AND **IRINA SHAYK** ARE PUTTING DOWN ROOTS

## Who Is Irina?

Her face — and, OK, her body — might be familiar to fans of the *Sports Illustrated* swimsuit issue, in which she has appeared every year since her 2007 debut. But the model actually grew up in a bleak Russian mining town that had little in common with the sun-drenched beaches where she poses today. “We were very poor,” she has said. Her love life has also been less than picture-perfect: Her former agents accused her of a youthful affair with a Moscow businessman, and her recent five-year romance with Cristiano Ronaldo was marred by reports of infidelity on his part as well as a (forcefully denied) rumor that she slept with FIFA president **Sepp Blatter**, his de facto boss!

For five months, **Bradley Cooper** and **Irina Shayk** have been nearly inseparable; they’ve been spotted smooching everywhere from New York City to London to Italy’s Amalfi Coast. But their latest getaway was a little less glamorous: Over Labor Day weekend, Bradley took Irina to meet his mother, Gloria Campano, in Ocean City, N.J.

“It’s a huge deal,” a source close to the couple says of the swimsuit model’s meet-the-parent moment. “Bradley adores his mother and takes her opinion very seriously.” Happily, though, “Gloria has given Irina her stamp of approval.” And it’s a good thing, because, the source says, Bradley’s 29-year-old girlfriend could be expecting!

### A BUMP-Y ROAD?

It may seem fast, but the source says that Irina (who dumped Portuguese soccer star **Cristiano Ronaldo** early this year) and Bradley (who broke up with model **Suki Waterhouse** in March) have talked about children “from

day one. She’s been telling all of her friends that Bradley is the first man she’s ever been able to see herself having kids with, and he wants to be a father more than anything right now.”

Indeed, the 40-year-old actor has long been very open about his desire to be a dad. “I really hope I have that experience in my life,” he said in a 2013 interview conducted after his own father’s death. “I saw how much joy fatherhood gave my own dad, so I hope it’s part of my journey. It seems like a natural stage [for me.]”

Of course, his subsequent two-year romance with the much-younger Suki, 23, did little to advance that cause. But in Irina,

Bradley may have finally met his match. And she’s equally happy: Having told a Spanish magazine last year that her ideal man would be “kind, amusing and honest and know how to treat a woman,” she’s apparently decided that Bradley fits the bill.

### LET THE NESTING BEGIN!

One thing’s for certain, according to the source: Bradley has been treating Irina with the utmost care. “He’s acting like she’s made of glass,” the source says. Of course, Irina is a lot tougher than she seems (see sidebar), but she surely appreciates Bradley’s ministrations, as well as his willingness to give her whatever she wants.

That includes a new home in New York City in which to start a brood. “Irina loves Manhattan, and Bradley is very happy to indulge her,” an insider says. She already owns an apartment in the West Village, “but they’re looking for a larger, family place,” the insider continues. “They want to put down roots in New York so they can easily fly to Europe or L.A., and they like the idea of raising their child in the city.”

**OK!**

A source says that bathing beauty Irina got along swimmingly with Bradley's mother, Gloria (left).

### MADONNA

She labeled herself the Material Girl, but this superstar is more interested in cold, hard cash than luxury goods. The thrifty singer, who receives a ton of loot from high-end brands including Versace and Dolce & Gabbana (she's appeared in ads for both), hands much of it to her staff — at a price. Sources say Madge charges half the retail price for anything she offers to her minions, despite not having paid a cent for the items herself!

It's no secret that the underemployed actress' bank accounts have dwindled since her *Mean Girls* heyday, but even when LiLo was making big bucks, she did so much "shopping" at swag suites that she was eventually permanently banned by several high-end brands. In addition, a source says, she was fond of selling her comped clothes online after she'd worn them. We recommend disinfectant, buyers!

### ADRIAN GRENIER

His character on *Entourage* may have had everyone at his beck and call, but it turns out the actor isn't exactly in demand in the real world. Prior to booking a personal trip to Las Vegas recently, a source says that Adrian's team called up hotels and hotspots in an effort to have some of his expenses waived (he even had them ask a casino for money to gamble with!), but had no such luck. Sorry, Adrian, but you're no Vinny Chase!

## ELIZABETH OLSEN

Becoming a big-name star sure has its perks! In August, the *Avengers: Age of Ultron* star stopped by producer Jennifer Klein's annual Day of Indulgence Summer Party in L.A. for an afternoon of priceless (literally) pampering and left with a Spanx-labeled bag full of goodies! Says a source, "Even though Lizzie has done well for herself so far, she watches every dime she spends."

She's got enough for Mary-Kate and Ashley too!

## PARIS HILTON

The hotel heiress and socialite is known for flaunting her wealth — but it turns out, she doesn't buy all her flashy belongings herself. A source at Sundance once dished that Paris is "a little tacky" at the annual film festival's many gifting lounges. "She doesn't grab one thing," the insider told a reporter. "She says, 'I want six of those, five of those.'" Maybe her new career as a DJ isn't as lucrative as she expected it would be?

## GISELE BÜNDCHEN

Well, this certainly isn't model behavior! The well-heeled catwalker recently stopped by a boutique in California and fell in love with a pair of Becca Moon ankle boots, but it turns out even the world's highest paid model (she pulled in \$44 million last year) has a spending limit! A source says Gisele asked if she could grab the pricey footwear gratis — but the store's owner politely (and shockingly!) declined.

Who would say no to Gisele?

## ORLANDO BLOOM

Despite the millions he makes from his blockbuster *Pirates of the Caribbean* movies, the hunky actor doesn't fork over any of his own cash for transportation. Every few months, a source says, Orlando goes to an Audi dealership to pick up a new ride... and when he returns, the cars are usually dented! Even worse, the word on the street is that the handsome actor never offers to pay for the necessary repairs. Those Brits are known to be tightwads — guess this is our proof!

Just call him the Lord of the Dings.

**Wendy Williams** takes viewers inside the ramifications of rumor-mongering as host and executive producer of Investigation Discovery's new show *Death by Gossip*, which explores murders driven by scandal. The daytime host said she knows through her talk show what fuels malicious hearsay: "People gossip to feel better about themselves."

WHILE HER CAREER IS FLYING HIGH, THE MODEL OF THE MOMENT HAS HER FEET FIRMLY PLANTED ON THE GROUND

# Ali Larter's PEACH-BLUEBERRY CORNMEAL COBBLER

She may be known for her adventures in whipped cream (see: *Varsity Blues*), but at 39, **Ali Larter** has developed an impressive repertoire of recipes. The cookbook author (she penned 2013's *Kitchen Revelry*) and actress (her horror film *The Diabolical* comes out next month) shares her secret for making summer last: cobbler! "You can always adjust the balance of fruit," she notes. "And if, like me, you think there's never enough biscuit topping, double it!"

**SERVES: 6**  
**TOTAL TIME: 40 MINS.**  
**SKILL LEVEL**

## Ingredients

### Filling

- 1½ lbs. (about 4 cups) peaches, pitted and cut into slices
- 1 pint (about 2 cups) blueberries, rinsed and dried
- ⅔ cup packed dark brown sugar
- 2 tbsp. all-purpose flour
- 2 tbsp. fresh lemon juice
- ¼ tsp. ground cinnamon
- ¼ tsp. salt

### Topping

- ¾ cup all-purpose flour
- ¼ cup fine stone-ground cornmeal (yellow or white)
- 3 tbsp. dark brown sugar
- 1½ tsp. baking powder
- ¼ tsp. salt
- 3 tbsp. cold unsalted butter, cut into pieces
- ½ cup buttermilk

## Directions

1. Preheat oven to 425°F.
2. **Fruit mixture:** Toss peaches with blueberries, brown sugar, flour, lemon juice, cinnamon and salt in 2-qt. ovenproof dish; set aside.
3. **Biscuit dough:** In large bowl, stir together flour, cornmeal, brown sugar, baking powder and salt. Work butter into dry mixture with your fingertips, fork or pastry blender. Stir in buttermilk with rubber spatula until wet, tacky dough forms.
4. Drop spoonfuls of biscuit dough over the fruit filling; don't worry about covering entirely. Let bake for 20 to 25 minutes in preheated oven, until cobbler's syrup is bubbly and biscuit tops are browned. Let cobbler cool slightly before scooping into individual bowls. If desired, top each bowl with whipped cream, vanilla ice cream or — in case you have a run-in with this cobbler before noon — nonfat plain yogurt.

THESE MOVES WILL HELP YOU TAKE A STAND AGAINST SLUMPING

## THE EXPERT: NORA TOBIN

Nutrition and performance specialist, fitness consultant for Four Seasons and Belmond hotels, *Shape* contributing editor and *Wilhelmina* model.

Even if you've been on a roll with your diet and fitness routine, poor posture can diminish the results of your hard work. Sitting at a desk for hours, hunching over your computer and even walking in high heels can sabotage the sleekest of physiques, undermining your ability to stand tall and look your best (not to mention putting you at risk for all kinds of injuries). We'll tackle the problem in a two-part special, with key exercises that will retrain your body to maintain proper posture at all times, no matter what you're doing. This week: the first two moves.

## STRAIGHTEN UP: PART ONE

Perform each exercise for one minute, ideally three times throughout the day

## T-RAISE

1. Lie on a mat (or floor) facedown, arms at your sides and thighs squeezed tightly together. Engage glutes and upper back to lift your chest off the floor.
2. Extend arms to form a T with your body, wrists facing down. Keep feet and legs in contact with the floor. Hold the pose for five to 10 seconds, then lower yourself down. Repeat.

## SIDE PLANK VARIATION

1. Position yourself on all fours, with wrists under shoulders and knees hip-width apart. Lift right leg to hip height.
2. Once you feel stable, extend right arm to the side and then above your shoulder, allowing hips and shoulder to open to the side. Form a straight line from head to heel. Engage core and glutes to maintain balance. Hold the pose for 30 seconds. Switch sides.

## CHARLIZE'S GOOD HABIT

"I started yoga and Pilates in the hope that dedicating myself to a healthy ritual would help me stay off cigarettes, and it has," says Charlize Theron.

## MOVIE PREVIEWS

### EVEREST

Jake Gyllenhaal, Jason Clarke, Keira Knightley | PG-13 | Sept. 18

The calm before the storm is the only part of this flick — based on tragic real-life events that took place atop the world's highest mountain in 1996 — that won't have you shaking in your snow boots. Expeditioners Rob Hall (Jason Clarke) and Scott

Fischer (Jake Gyllenhaal) lead teams of climbers on a successful quest to Everest's summit; but when an intense blizzard rears its head, the journey proves tougher than they could've imagined. See it in Imax 3-D to experience sheer terror.

### BLACK MASS

Johnny Depp, Joel Edgerton, Benedict Cumberbatch | R | Sept. 18

In his grittiest role since Donnie Brasco, **Johnny Depp** sheds his puffy shirt to play notorious real-life Boston mobster **James "Whitey" Bulger**, ruthless leader of the Irish-American Winter Hill Gang. The true-crime drama focuses on Whitey's rise to power in the '70s and '80s — enabled by his cooperation with the FBI in a plot to bring down the city's Italian syndicate. As the covert alliance spins out of control, giving Whitey carte blanche to spill blood all over Beantown, the criminal mastermind must figure out how to evade trouble.

Johnny (right) is nearly unrecognizable as gangster Whitey Bulger.

## AUBREY O'DAY OF DUMBLONDE

### OK! Q&A

**T**wo former members of the defunct girl group **Danity Kane** (a product of the MTV show *Making the Band*), **Aubrey O'Day** and **Shannon Bex**, have teamed up to start their own duo, **Dumblonde**. Aubrey gives us the scoop on what to expect from their new sound.

#### Why did you decide to keep working with Shannon?

Shannon and I went through all the ups and downs last year and were kind of the only two left standing. So we got in the studio to see what we would sound like together. Making music with her was so easy and organic, we never stopped. We cowrote everything and created all the visuals, from photography to music videos, from start to finish.

#### Why did you decide to call yourselves Dumblonde?

We felt that we were always

[subject to] stereotypes. In girl groups, there are different boxes and roles that you're placed into, and we wanted to laugh at where we've come from and challenge everything people thought we were.

#### How is this music different from Danity Kane's?

It lacks ego and pride. It's about love, respect and an appreciation for all the reasons we fell in love with music in the first place. I feel like I was finally able to make the album I was meant to make in life.

Dumblonde's self-titled debut album drops Sept. 25.

## BLOND AND BRATTY!

**T**he latest tack in **Justin Bieber's** effort to revamp his image? Platinum locks! ## WEIGHT LOSS UPDATE:

# Super-Powerful "Diet Pills" Make Comeback

## They're flying off the shelf... But they're NOT for everyone!

Most of us thought the era of the "Super-Powerful" diet pill ended a few years back when the FDA removed Ephedra and Fen-Phen from the U.S. market because of safety concerns.

Well, it turns out that "most of us" were wrong. It seems that a huge, multi-billion-dollar, "underground" market for these amphetamine-like fat burners sprung up even before the ink was dry on the FDA's decree.

But recently, an entirely new crop of high-quality, super-powerful and super-effective diet pills are coming out of hiding and are hitting the shelves of your local GNC.

The current leader in this new category is a product called BiphedAdrene® developed and sold by Generix Labs, LLC. The company tells us that BiphedAdrene is a two-part system comprised of a unique "Complex Phenylethylamine Provisional" (for powerful appetite control, mood elevation, and energy) combined with an aggressive thermogenic compound (for fat burning and stamina). This two-pronged attack on fat is apparently what makes the compound so effective... and so popular.

While the pills do cause rapid weight loss (no doubt about that), these amphetamine-like compounds are fast becoming a favorite among bodybuilders, college students, and overstressed, exhausted homemakers for their energy and stamina-boosting properties (in other words as powerful "go-fast" pills). Because cult-like trends that begin with bodybuilders and college students quickly become mainstream, many BiphedAdrene (or BiPhed for short) critics are concerned about the overuse of these powerful compounds.

*While the pills do cause rapid weight loss (no doubt about that), their reputation as "Mother's Little Helpers" seems to be the driving force behind their extraordinary appeal.*

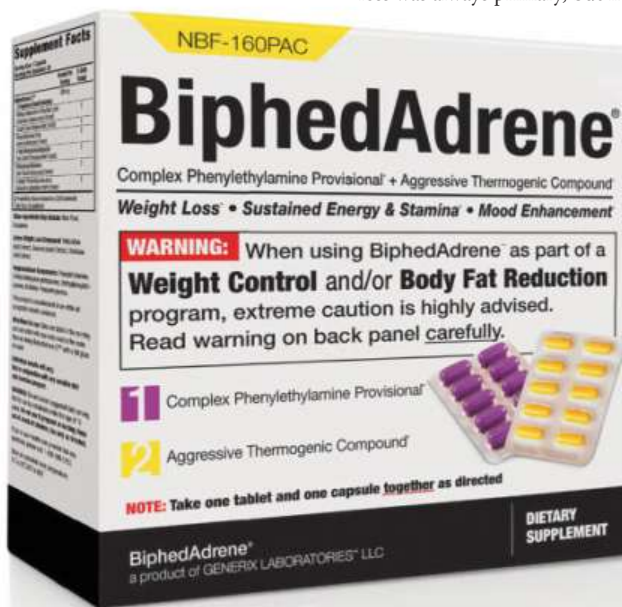

A spokesperson for Generix Labs explains, "One of the things we often heard, as we made a study of the weight-loss market, is that people missed the mood-elevation and boost of energy that were 'side-effects,' if you will, of the Fen-Phen and Ephedra class of diet pills. The weight loss was always primary, but nearly as

important was the increase in energy and mood. These new non-amphetamine compounds provide not only very substantial weight loss, but also a similar mood and energy boost."

While these "super pills" are finding their way into the general marketplace, they are definitely not for everyone. In fact, you shouldn't even think about taking them if

losing five or six "vanity pounds" is your goal. These diet pills are intended exclusively for the significantly overweight. But that's not the only caveat. You should check with your doctor to ensure you are in overall good health before considering any of this new category of pills.

Let's face it... even though this new generation of diet pills, such as BiphedAdrene, aggressively propose "easy" weight loss, increased energy, and improved mood, they are expensive (\$135 for a 30-day supply) and need to be used very responsibly. See you in the supplement section!

## A WATERFRONT TREASURE OPEN YEAR-ROUND

Located on Georgica Pond in the charming Hamptons hamlet of Wainscott, N.Y., Osteria Salina draws locals and celebs like **Christie Brinkley**, **Matt Lauer** and **Mary-Kate Olsen** with its authentic Sicilian cuisine, even after beach season ends. Executive chef and managing partner Cinzia Gaglio—who spent summers as a girl visiting relatives in Italy—sources the finest local produce to bring her family-favorite Italian recipes to life. Her meatballs, restaurant regulars note, are widely considered the best in the Hamptons, and the charred octopus with fava beans and potatoes (inset) is an elegant, seasonal take on a classic dish.

Hashtag **#onemillionmeals** and **#cuddle+kind** on social media to support the campaign.

## DOLLS THAT FEED A NEED

Inspired by a documentary about the horrific impact of childhood hunger worldwide, Canadian husband and wife (and parents of three) Derek and Jennifer Woodgate founded cuddle + kind, which provides 10 meals to kids in need for each of their whimsical hand-knitted dolls sold. These adorable dolls are available for preorder on Indiegogo starting Sept. 16. Find out more at [cuddleandkind.com](http://cuddleandkind.com).
